SPECIALIZING IN THE *Art* OF FINE DENTISTRY

Webber Dentistry is proud to announce the grand opening of their new SouthPark Location. The new office has an ultra modern decor, computerized check-in and uses the most advanced dental technology. From massage chairs to flat screen TVs, this office has it all. And there's more... after your procedure, stay and unwind in the comfy leather massage chair in the private relaxation room. Webber Dentistry specializes in invisalign, implants, cosmetic dentistry, routine and preventative care and prides themselves on having a professional and diverse team.

Please welcome our newest team members: Dr. Nazila Alimohammadi and Dr. Natalie Nguyen.

*Your smile says a lot about you, and when you don't smile, it says even more... so please call our office today to schedule your initial consultation.*
